## PQA Plus<sup>®</sup> Site Status Rebate Program

The Nebraska Pork Producers Association Is Offering \$75 Rebates To Nebraska Pork Producers competing PQA Plus Site Assessments Prior to December 31, 2009.

NPPA and the National Pork Board are encouraging all producers to become PQA Plus certified and achieve PQA Plus Site Status. The purpose of this program is to encourage producers to be proactive in providing the best possible care for their

animals and show commitment to the ethical principles of pork production as outlined in the WE CARE responsible pork initiative. Having a PQA Plus advisor review your operation can both improve the well-being and productivity of animals in your care by noting changes or additions that may not otherwise be noticed. Rebate application forms can be found by logging onto [www.Nepork.org](http://www.Nepork.org) or call (888) 627-7675. Please contact Dee Petersen at [dee@nepork.org](mailto:dee@nepork.org) or call (888) 627-7675 with questions.
